Mission for February 2012

The mission for this month has several ways in which you can help:

1. You can contribute money to help pay for the food we prepare quarterly for the meals at Center of Hope. This is not an item in the Church Budget, and during the week of January 9-12, we served well over 400 meals.
2. You can provide items needed but not able to be purchased with Food Stamps, such as toilet tissue, bath soap, deodorant, shampoo, and house cleaning items. Any of the small sized toiletries you get when you stay in hotels can be used too.
3. You can bring canned items that will be taken this month to the Senior Center. Their shelves are extremely low.

The Mission Committee would like for #2 & #3 to become an ongoing mission. After this month, any canned items or toiletries brought will be divided between Manna, Center of Hope and Sr. Center.

What a difference we can make if we all make it a habit to bring one item with us as we come to church weekly!

FEBRUARY 15, 16, 17, 18,
22, AND 23**

We have started our sign ups for our new Church Directory. Please remember to schedule your photo appointment either on Wednesday afternoons or evenings, or on Sunday mornings in the Family Life Center. Olan Mills will be preparing our pictorial directory but only with YOUR HELP !!!

We want our pictorial directory to be a huge success, so please make plans for your appointment time because without you our directory will not be complete. If you are interested in working on this project, we need some help. Please contact Diane Rhodes 817-613-7452.

Hello, Friends of the RedHouse Youth, Sunday School Classes and Youth Parents.

If anyone would like to help prepare a meal for our RedHouse youth group on Sunday evenings, our schedule starts on Sunday, February 12th and continues through May. Please let me know what Sunday would work out best for you. We serve around 25 youth each week.

Thank you for your support of our youth: past, present, and future!
